

The Future of Artificial Intelligence The Possibilities and the Problems

7:00 P.M. Wednesday, October 18, 2023
Conference Center Fullerton Public Library
353 W. Commonwealth Ave. Fullerton, CA 93832

The Fullerton Public Library Foundation is hosting a panel discussion on the possibilities and problems of artificial intelligence with California State University Fullerton Engineering and Computer Science professors Dr. Mira Kim and Dr. Michael Shafae, and Communications professor Dr. Roselyn Du. Join us as they discuss the future of AI in today's world.

This event is free and open to the public. Light refreshments will be served.

“This mission is too important for me to allow you to jeopardize it.”
