

Fullerton Public Library Foundation - 30th Anniversary Honoring the Past and Celebrating the Future

This November 2nd from 2pm until 5pm the FPL Foundation will honor 30 years of library support and celebrate the recent reopening of the Hunt Library with an open house and fundraiser at the

Hunt Library and Event Center.

Our special guest speaker will be John Loomis of Thirtieth Street Architects. Mr. Loomis was the principal consulting architect involved in the restoration of the Hunt facility.

All proceeds will go to build the Hunt Library's book collection. So mark your calendars!
